**Re: Deutsch to English – Industry Standards for the Production of  
Polymer(plastics)**

Mrs. Romani,

Good Morning. Thank you for the information per phone. The task, for which you are seeking a translator is quite a large one! I will in no way shape or form be able to produce this amount of translated text in less of a time frame than one month.

I would gladly begin to tackle this assignment as soon as possible, taking on the entire 3000 pages. The only requirements I have are that a contract be faxed to me for signature, and an assurance of payment upon completion of the project. Payment method can be by bank transfer or Euro-Check.

My offer is as follows:

3000 Pages @ a one time fee upon completion and proofing of ..... € 4500,00.

I find this a reasonable amount, considering the volume and allotted time.  
I would also accept a bonus for early completion.

Sincerely,

Michael Thomas Harbuck
