Super Moto tires Excel rims whole set - \$900 (san tan valley)

[\(google map\)](#) [\(yahoo map\)](#)

condition: **like new** size / dimensions: **17**

Up for grabs is a complete set of Excel supermoto rims. These rims are laced, trued and ready to ride! My street riding days are over and am going to solely ride in the dirt. These rims pieced together could cost you well over \$1200. Tire sizes are ->

Front 110/70 - 17 m/c 54H
Rear 140/70 - 17 m/c 66H

I would prefer local P/U than shipping as the cost to ship would be great, but if you want a smokin deal, then... (Email me for a quote)

I'm asking for \$900.00 for the complete set, as these are mint condition with only a few hundred miles on them...

I will entertain offers too, text me at eight 0 five, six 8 0, three seven seven 6. Best of luck and have a great day...
