What a wonderful surprise to see an email from you, especially at butterbeer-thirty! At practice now, hoping to stay dry. Excited for you and the cruiser. Seeing you this morning was definitely the highlight of my day. I really like those colors on you...devilishly handsome. PusPus

Good morning, my phone is still down... I will have to go to ATT today, it is close.

Smoooooooooches. I hope you have a nice day today, I have tons to do, work on the bike, go to Kawasaki down on colonial, and then find as the parts I need and order them...

I will see you later on tonight, if you like....

smoooooooooooooch.

How is work going? I am sitting around looking for parts on the computer. It was nice to smooch this morning.

How about a trip to NC or a week?
