Will trade for different Car street bike or motard or TRuck ....Hi i have a left side kick start 4 stroke 610 street legal not current with reg has back fee of 250 300 and needs rubbed through the dmv = I have the pink but is already filled out to a different owner who was going to get it registered but never went through with it... and then ended up selling it to some one else as it is now I can write the guy a letter and see if he can fill out a dmv form and I can get it registered in my name and if the letter is returned with now reply unopened I can reg the bike in my name then too >> I can handle this for you if the price is right. I am going to start the process now anyway incase I keep the bike.. which is highly likely with out a good buyer.. I am willing to work with you on the price because of this and the bike has a lot of good parts that can come with the bike if the price is right.. it would make a great super moto or trail bike also it has some cool plastics and looks good.. it's fun to ride and sit's high of the ground I am 5 10 and I can ride it just fine... it's has dual exhaust and is a water cooled 610 cc wheelie monster.. give me a call if this bike interests you or txt first preferably during the work week. so I can call after work or at lunch..
